PROJECTS

Cord Buddy | Design Thinking Project

Developed an **earphone holder** as a part of a Design Thinking project, focusing on functionality and ease of use.

Applied **user-centric design principles** for practical and efficient product development.

Conducted **iterative prototyping and testing** for better grip, portability and testing.

Ensured a **cost-effective and sustainable** solution.

Mental Health Website | Engineering Exploration Project

Developed a **fully responsive** mental health awareness website, combining tech skills with social impact.

Implemented an **interactive tips section**, providing users with self-care strategies and mental well-being guidance.

Integrated a **15-day free therapy session**, allowing users to access professional mental health support.

Smart India Hackathon 2023

Ideated a **tourist guide website** for Nashik, featuring curated recommendations for attractions, restaurants, temples and markets.

Focused on **user experience and accessibility**, ensuring seamless navigation.

Gained experience in **teamwork, brainstorming, and real-world problem analysis** in a competitive setting.

Technical Skills

Programming languages: C++, C, Java, HTML, CSS, Python.

Frameworks & Tools: VS Code, Ubuntu, Canva, GitHub.

Certifications: Design Thinking [NPTEL] - 72%.

Areas of Interest: Web Development, Problem Solving, Software Development.

EDUCATION

B.Tech [Second Year]

B.Tech in Computer Engineering at Karmaveer Kakasaheb Wagh Institute of Education, Engineering and Research, Nashik.

Year of Graduation - 2027.

First Year CGPA - **8.75**.

Higher Secondary Education [HSC - PCMB]

Ashoka Junior College, Nashik [MHTCET Score - **95%**].

Secondary Education [ICSE]

Ashoka Universal School, Nashik [Grade 10 - **95%**].

CREATIVE ENDEAVOURS

Calligraphy

Skilled in calligraphy, with over 6 years of experience performing at various school events, showcasing artistic precision.

Graphic Design

Proficient in Graphic Design with Canva, producing aesthetically pleasing designs for various projects.

French Language

Fluent in French [B2 level], with strong reading, writing and conversational skills developed over 7 years of study.
